- And More

## *Veteran Benefits*

In 1952, Congress passed Title 38 of the United States Code, creating what we now call the Department of Veterans Affairs (VA), and authorizing benefits for veterans. One of these benefits is the Non-Service Connected Pension with "Aid & Attendance."

Even though the pension has been around for 60 years, very few people know about it or understand how it works. Our affiliate partner has 11 years' experience in successfully helping veteran families apply for and receive the pension to pay for home care. As a well-known provider of Non-Medical Home Care in Montgomery, AL we can truly help our clients in so many ways.

## *Structured Family Caregiver*

Get paid to provide in-home care to a family member. Call today to learn more.
